

Tattvabodha – Basic

Sample Questionnaire

Choose the most appropriate answer. Mark only one.

Marks 1 (1*1)

Brahman with its power of creation is termed:

- Jagat
- Māyā
- Prakṛti
- Īśvara

State True or False (T/F)

Marks 1 (1*1)

The grosser the element, the fewer its properties.

Choose the correct statements. Check all that apply.

Marks 2 (1*2)

Ākāśa has the property of sound/śabda, whereas pṛthvī has the properties of sound, touch, form, taste and smell – all the properties pertaining to the elements; this indicates that:

- The subtler element has fewer properties.
- The more the properties, the grosser the element.
- Jala is subtler than ākāśa.
- Ākāśa is the subtlest, while pṛthvī is the grossest.
- All of the above

Match the following

Map the individuality with the corresponding state.

Marks 3 (1*3)

A

- a) Prājña
- b) Taijasa
- c) Viśva

B

- 1) Dream state
- 2) Waking state
- 3) Deep sleep state
